STRENG GEHEIM!

You are a loyal agent working for the East German Stasi.
You are also the handler, or official contact point for
British double agent GB11. GB11 is secretly working for
the East. Remember that information in later rounds is
more valuable, so it is in your best interest to maintain
GB11's cover as long as possible. In this round you may
convey the following operational detail to your Russian
allies: "East German women swimmers are actually men."
(2 pts if conveyed, -1 pt if stolen)

STRENG GEHEIM!

You are a femme fatale/casanova. In this round you can earn extra points for your side by "seducing" agents of the opposite sex from the West. To seduce an agent, you must be alone with him/her in a room or on the balcony. Make sure that your fellow Eastern agents do not learn the nature of your activities, which are in violation of Stasi policy. Report the number of seductions to the moderator after this round. Your side will be awarded one point for each successful seduction.
