You are a femme fatale/casanova. In this round you can earn extra points for your side by "seducing" agents of the opposite sex from the East. To seduce an agent, you must be alone with him/her in a room or on the balcony. Make sure that your fellow Western agents do not learn the nature of your activities, which are in violation of CIA policy. Report the number of seductions to the moderator after this round. Your side will be awarded one point for each successful seduction.
